

Awesome Profile Website!

By Tyson Hofstetter

Design Process

- Looked at other developer portfolios.
- Decided on simple single page design.
- Four main sections, Home, About, Projects and Contact.
- Trello.
- Wireframes.
- Coding.

Challenges

- Nav bar bug.
- Using flexbox to arrange icons.
- Making the site responsive.

Favorite Parts

- Background animation.
- Hover animations.
- When the site was finally responsive.
